➤ How to compose Voice Call.

Go through the option Voice Messaging --- than compose voice sms.

The screenshot shows the A Star Group web interface. The top navigation bar includes the website URL 'www.astargroup.org', a 'My Account' link, and menu items for 'IVR', 'Misscall', 'Settings', and 'Credits'. The left sidebar contains a 'MESSAGING' menu with 'VOICE MESSAGING' selected and circled in blue. Below it are options for 'Compose Voice Sms', 'Voice Campaign Summary', 'Voice Campaign Details', 'View Voice Campaign Invoices', and 'Reschedule Voice Campaign List'. The main content area is titled 'Welcome u12837 (atul goyal)' and is divided into two columns. The left column is titled 'Select Route' and has radio buttons for 'Promotional', 'Transaction', and 'Enterprise'. Below this are buttons for 'Enter Contact Numbers' and 'Add Groups', and a large empty text area. The right column is titled 'From: Sender ID' and has a 'Sender ID' dropdown menu set to 'select once' with a '(Add Sender ID)' link. Below this is a 'Text Message' section with a 'Language' dropdown set to 'English' and a 'Template' dropdown set to 'Select', followed by another large empty text area.

Firstly select rate: normal rate or answered rate.
(Normal rate stands for ; rates will be deduct according to the number of calls. And second one is for answered calls.)

Select sender id and than enter contacts, on number you want to make calls.

Upload file (wav file, we had converted) by clicking on new file and browse file. After uploading voice file for one time, it will be saved in old files automatically for next time.

We can see the next option named: later. by using this option we can schedule our calls for a time.

For send these calls at the time, click on send. Our voice calls will be queued.
