

# Welcome to A Star Group

➤ How to send SMS.

Go to the message manager, and click on send SMS.

The screenshot displays the A Star Group dashboard. The top navigation bar includes links for Home, About us, Pricing, Contact us, and Support, along with a user profile icon labeled DEMOOO. On the left sidebar, the 'Message Manager' menu is highlighted with a red circle, and the 'Send Message' option is also circled in red. The main content area shows a dashboard with a warning alert: 'Alert! s only for sending message to opt-in database. Messages don't contain any commercial, Pr'. Below the alert, there are two charts: 'Message Statistics' for the date 12-Apr-2016, showing a legend for Delivered (green), Rejected/DND (red), Un-Delivered (yellow), and Invalid (blue); and 'Credits' showing a pie chart with a legend for Available Credit (green), SMS Consu... (red).

Select sender id and type your message, paste your contacts and enable remove duplicate records.

If we want to schedule this message, click on schedule and set time and date.
