

Welcome to A Star Group

- How to send SMS in Hindi or any other language.

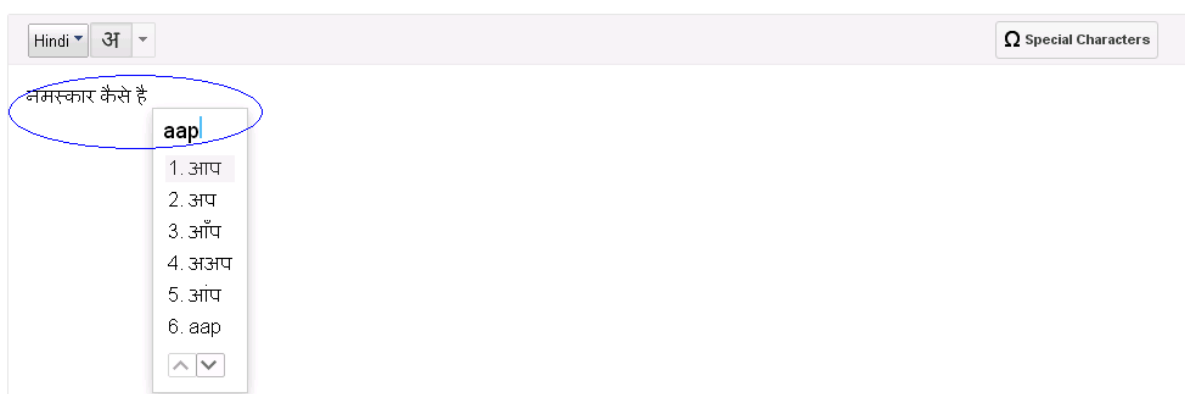

To send SMS in Hindi, or any other language, first of all we have to go through TRY INPUT TOOLS on Google. Try it now,

Select language, which you want to type.

By selecting this, if you type in your message in English, it will automatically convert in the Unicode language. .(select your message and copy with Ctrl+C, in message box)

Welcome to A Star Group

Write message here, and copy the matter, Now come to the panel, first click on Unicode option below the message box, (Note: please click first on Unicode then paste your matter. (ctrl+V for paste in message box)).
